

WE ASKED MENTORS ABOUT THE HIGHLIGHT OF THEIR MENTORSHIP. HERE'S WHAT THEY SAID:

"Seeing (my mentee) realize her talent, strength, and worthiness. That lightbulb moment that made her confident enough to apply for the career positions that truly light her up—just the best part of this work, aiding her to see what she had all along!"

"Helping my mentee helped me rediscover the gift of reflection. Reflection is necessary for intentional growth. I also enjoyed connecting with a young person with so much ambition. It's inspiring and it's contagious."

"The Mentor Program has really given me the opportunity to give back to individuals within the University...with an enthusiasm for their next steps in their careers. Working with my mentees has allowed me to grow my own leadership and coaching skills while also encouraging me to stay involved and proud of where I came from." *-UGA Mentor*

"Excellent student and a really great learning experience! I learned how to be a better mentor and teacher. One of the best students I have known in 10 years of mentoring and 5 years of teaching!" *-UGA Mentor*
